

<p>Training Title: Teachers using Twitter (and other social media tools to share with families and even the world)</p>	
<p>Today we will...</p>	<ul style="list-style-type: none"> ● Analyze current social media tools and possible uses for ECE settings. ● Examine benefits and risks for using social media in ECE settings. ● Identify ways to promote the profession and support the work of our ECE colleagues.
<p>So we can...</p>	<ul style="list-style-type: none"> ● Make informed decisions about how/if to implement social media in our settings. ● Learn from leaders in the field about mindfully using social media to share our practice with others. ● Continue to seek information from reliable sources in order to make sound decisions.
<p>We will know we are successful when we can...</p>	<ul style="list-style-type: none"> ● List positives, potentials, and pitfalls for using social media in ECE settings. ● Share the work and experiences of others who have used social media in remarkable ways to document the work of the very young. ● Build a bank of resources and connections that will allow for deeper learning and understanding.
